Remarks

Tucked away in a quiet Howell community, this 2-bedroom, 2-bath condo is more than just a home its a retreat. As a rare end back unit, it offers unmatched privacy with every window facing nature instead of neighbors. From the moment you step inside, vaulted ceilings and large windows create an open, airy atmosphere filled with natural light. Units with this setting and view almost never become available. With 1, 317 sq. ft. of thoughtfully designed living space, the layout blends comfort and function. The kitchen and its included appliances open into a bright dining and living area. From here, step onto your private balcony, overlooking the back of the subdivision and a spacious green area reserved from the bustle of the community. Whether enjoying morning coffee, catching a sunset, or simply unwinding after a long day, this setting delivers the peace and quiet condo buyers are searching for. The primary suite is a true retreat, complete with soaring ceilings, two walk-in closets, and its own full bath. The second bedroom is well-sized and located across from another full bath with a tub/shower combo. Just outside, an oversized storage closet provides even more convenience. making it easy to keep things organized. Fresh, neutral paint throughout creates a clean canvas ready for your
